Contemporary Women Mathematicians Poster (updated 8-14-12)

Women and Mathematics (MATH 398) Fall 2012

Department of Mathematics, Loyola Marymount University, Los Angeles, CA 90045

Many of these women have biographies with extensive reference lists on the Agnes Scott College "Biographies of Women Mathematicians" website:

<http://www.agnesscott.edu/Lriddle/women/women.htm>

NEW ADDITIONS FOR FALL 2012

Sylvia Bozeman

- Kenschaft, P. C. (1981, October). Black women in mathematics in the United States. *American Mathematical Monthly*, 592-604.

- Biography originally printed in NAM's Newsletter, Summer Issue, 1997, now at MAA SUMMA site http://www.maa.org/summa/archive/s_bozema.htm
- MAA FOCUS (2009, Apr/May). Sylvia Bozeman Receives AAAS Mentor Award, p. 3. Available at <http://www.maa.org/pubs/pastissues.html>
- See also: <http://membercentral.aaas.org/blogs/member-spotlight/mathematician-sylvia-bozeman-teaching-next-generation-love-numbers>

Genevieve M. Knight

- Ross, Kenneth (2012). Genevieve M. Knight (interview) MAA Focus, August/September 2012, Mathematical Association of America
- See also biographies at http://math.buffalo.edu/mad/PEEPS/knight_genevieve.html and <http://maa.org/summa/archive/knightg.htm> and http://www.aaregistry.org/historic_events/view/genevieve-knight-award-winning-educator

Maria Klawe

- See information in the Science section of the New York Times <http://www.nytimes.com/2012/04/03/science/giving-women-the-access-code.html?pagewanted=all>
- As new leader (president) of Harvey Mudd College, see <http://www.hmc.edu/headline/Klawe.html> and <http://www.thefreelibrary.com/Diamond+in+the+Mudd:+the+many+facets+of+M+aria+Klawe,+Harvey+Mudd...-a0148056309>
- Interview with her on PBS http://www.pbs.org/newshour/bb/science/jan-june12/womenscience_04-26.html
- Follow up on her research topics as listed in her Wikipedia entry, especially the art gallery problem.

**Special acknowledgement to the MAA-Tensor Women in Mathematics grant program for its partial support for the team teaching of this course and for providing some of the resources that led to the revision of this bibliography.*
